ARIEL REBEL

by reader request!

StoreMags.com

Hey! It's me, Lindsey. Ariel Rebel is one of our most special models *ever*, because one of our very own readers found her. Back in our May 2007 issue, T. B. of Arkansas wrote to us about a super cute girl he saw on the Internet and could we please shoot her for the magazine. Well, I e-mailed Ariel and asked her if she wanted to be in BARELY LEGAL, and I could practically hear her scream, "YESSSSSS!" all the way from Canada! (Oh, yeah—she's French Canadian.) Since I couldn't go up there in person, I asked Ariel to write something about herself for the mag. Here she is!

"Really simple...I'm a regular girl from Quebec/Canada, I'm 19 years old, I love going out with my friends, watching movies, goofing around.... I'm positive person. I try to take everything I do with a bit of humour (sometimes is good, but sometimes not...lol). Last years I discover modeling.... It was just for fun at the beginning, but after a couple of month I fell in love with the camera....

"That's where I am now...trying to build a bit my name in what I do. I'm preparing a couple of other projects on the side, but...this will come later. I love to try new things, I'm not scared to look stupid sometimes, and I love to laugh at myself (and I think my friends does too!).

"I have the chance to have great friends who make me laugh a lot and support whatever I can do! I love dancing, going in a club or just in a little cafe. I love video games and a lot of lazy activities...."

Ariel also mentioned that she would like to meet people who "can be wild, sweet." Hey, Ariel—*I'm* wild and sweet. Come to Los Angeles! (Thanks, T. B.—I think you found my new crush!) ★

DEAR BARELY LEGAL

WE LOVE WHEN YOU GUYS WRITE TO US!

Send your cards and letters to Dear BARELY LEGAL, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211, or e-mail us at barelylegal@lfp.com.

Dear BARELY LEGAL,
I'm a new subscriber to BL. You have the cutest girls, cool panty contests and, best of all, no pretentious bullshit articles. Just pussy, pussy, pussy! The thing is, they're all shaved and smooth as a cue ball. How about an all-hair issue? They must be out there somewhere. I'm looking at Buffy in your April issue's *Slumber Party*. Now that's what I'm talking about! Keep up the good work.

T. C.
Connecticut

BARELY LEGAL,
I am writing to let you know that I will not be renewing my subscription, but wish to tell you why; perhaps this will help change your mag's format. If I see one beautiful young lady with a natural, unshaven pubic mound, it is a lot—meaning per issue. To me, the allure of BARELY LEGAL should be women who have baby faces, but are certainly grown women between their legs. As for *BARELY LEGAL* DVDs, these would truly be the best in the biz if not for my same complaint. Please drop me a line if you plan on instructing your models not to show up to the photo-shoot with a shaven vagina. Maybe I will renew at that time. Thanks.

PUBIC HAIR LOVER,
B. K.
Pennsylvania

B. K., that just makes me so sad! I totally agree with you and T. C. that it would be nice to have more beavers, but unfortunately, the style today is for girls to shave, and it's just, like, a <u>fact</u>. Seriously, it's not even just professional models! I overheard these two regular girls at the mall the other day, and one of them was all, "Who has hair on their vag anymore? Gross!" and the other girl was all, "Vag hair is so '90s!" See what we're up against? All I can tell you guys is, we BL editors have put the word out that we want cute, curly-cootered girls, and we'll just keep on searching!

—Lindsey

Dear Lindsey,
All of the photo-sessions [in the April issue] were excellent, but I kept returning to Jasmine because the sequence was fluid and natural—the girl next door who came over to seduce the teenage boy after observing the parents leave. The storyline, like Jasmine, is a natural!

Sincerely,
D. H.
South Carolina

D. H., if you thought <u>that</u> storyline was natural, wait until you see Jasmine next month, in our October issue—with her new best friend Summer!

—Lindsey

Dear BARELY LEGAL,
I am a vaginal connoisseur and draw nude teen girls and vulva close-ups for fun, meaning I don't sell them. I love BARELY LEGAL because y'all have smoking-hot, sexy teens that are nice enough to expose their entire vulvas and not just their labia like other publications I've seen.

As I stated above, I am a vaginal connoisseur, which means I love every detail about them with all five senses. The problem I have is that I can't find a publication or DVD that shows deep into the vagina with light shining inside it. The next problem is finding urine shots that show the urine coming from the urethra. And last, yet easier to find, I would just like to see your ladies masturbating wildly without toys. Nothing against toys—it's just, without them I can see more of what I NEED TO SEE.

I'm not sure BARELY LEGAL is up to solving my problem. However, if y'all are, I just might have to buy one for each of my friends. Just buying one would not repay you enough. I hope I'm not asking too many questions, however.

I have the May 2007 issue and found Lucy to be my favorite girl overall. Lucy has the most seductive eyes and lips I've seen in a while, with a perfect body. On her third page I can tell, being a connoisseur, that her labia minora are just the right size and flow perfect around her slit and are nicely framed by silky-smooth and pouty labia majora. The wish that I have is to see more photos showing her coochie, larger photos and with her pulling her labia minora wide open. Just thinking of Lucy that way makes my heart race and pants bulge.

Connoisseur of all things vaginal, including BARELY LEGAL,
Stephen
Louisiana

You can never ask too many questions, Stephen! We love to answer our readers—although maybe we don't always have the answers you guys want. Like right now. :(Sorry, but we probably won't be able to give you the peeing and inside-vag views that you would like to see. As for toys, we try to strike a balance, 'cause there's some guys who want to see penetration, and there's other guys, like you, who want to see pussy only, with no interference.

By the way, I totally believe that you are a connoisseur, 'cause Lucy has the prettiest pussy I've ever seen! Wish I could see your drawings, hint hint. ***—Lindsey***

Dear BARELY LEGAL,
I just recently received the May 2007 issue. All I can say is, wow! I used to get BARELY LEGAL all the time. However, due to some so-called advice by some friends, I let the subscription run out. Well, I am back now. And I must say, you sure have made some improvements. More beautiful, sexy young girls to admire. And more pussy to see.

I really enjoy looking at naughty young girls who like to shed their clothing and show off their beautiful, sexy young bodies. Besides admiring their pussies, I also enjoy seeing these young ladies playing with their pussies. You guessed it—I really enjoy looking at pussy.

I also like to read their stories and interviews. Most of the time there will be at least one girl's story in each issue that will really interest me, and I will write to that young lady. As a matter of fact, I am putting a letter together to send to Marissa Marcelle. I would love to take her out and treat her like a lady. I would even open the car door for her.

You will be hearing a lot more from me. By the way, Lindsey—how does a girl break her pussy? And what does a broke pussy look like?

Sincerely yours,
B. K.
Kentucky

P.S. How much would it be for you to send me the last two issues of *Best of BARELY LEGAL*? How many times a year do you put together *Best of BARELY LEGAL* issues? I would really like to get the 2006 issues.

Welcome back, B. K.! Okay, I guess I was exaggerating slightly when I said my pussy was "broke." But I definitely needed to rest it for a while. Plus soak in a tub. Plus now limit my masturbating habit to two or three times a day. Maybe four.

To answer your other question, Best of BARELY LEGAL comes out three times a year. (In case you're interested, we also put together a special issue called Girls of BARELY LEGAL three times a year and also one called BARELY LEGAL Latin Girls two times.) You can order back issues by sending a check or money order for $12 (per issue) to: LFP Publishing Group, LLC, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211; Attention: Back Issues Dept. ***—Lindsey***

Dear Eva,
I loved your layout in the June issue. I think you're awesome, especially the part about loving guys to lick your butthole. I would love to meet you 'cause I'd love to stick my 45-year-old tongue up your sweet little butthole. Then, after you've coated my face with your sweet cream, I'd put my cock where my mouth was, and you could fuck my brains out! That would be great. I sure wish more teenagers felt like you do about butt-fucking. Maybe you could tell them what they're missing!

J. R.
Tennessee

I did, in my interview! :) ***—Eva***

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, the September 2007 issue is one of my all-time favorites, because I really feel like I couldn't have put it together without all the readers who write in with their ideas.

For instance, check out Ariel Rebel. She's practically the cutest girl I have ever laid eyes on—and guess how we found her? A reader told us about her! It's true!

Another request I get a lot is "More juicy butts, please." That's where Nancey and Mackenzie come in. (Oh, yeah—me, too. See above!)

You guys also seem to really like Lindsay Lohan. Well, she must be listening to you, too, 'cause her nipple is *totally* popping out on page 20.

One thing I *couldn't* deliver, something *so many* of you guys ask for, is a nice, unshaved beaver. :(I'm sorry, guys, I tried, but...just kidding! Check out *Slumber Party*. Yes, most *professional* models shave, but this month's amateur model, Mikayla Lee, is happy to be hairy for you!

Of course there's one main thing readers *always* request: teen hotties! Thanks to you guys, we have page after page of the prettiest, naughtiest newly legal girls around.

I love when we work as a team!

xxx Lindsey

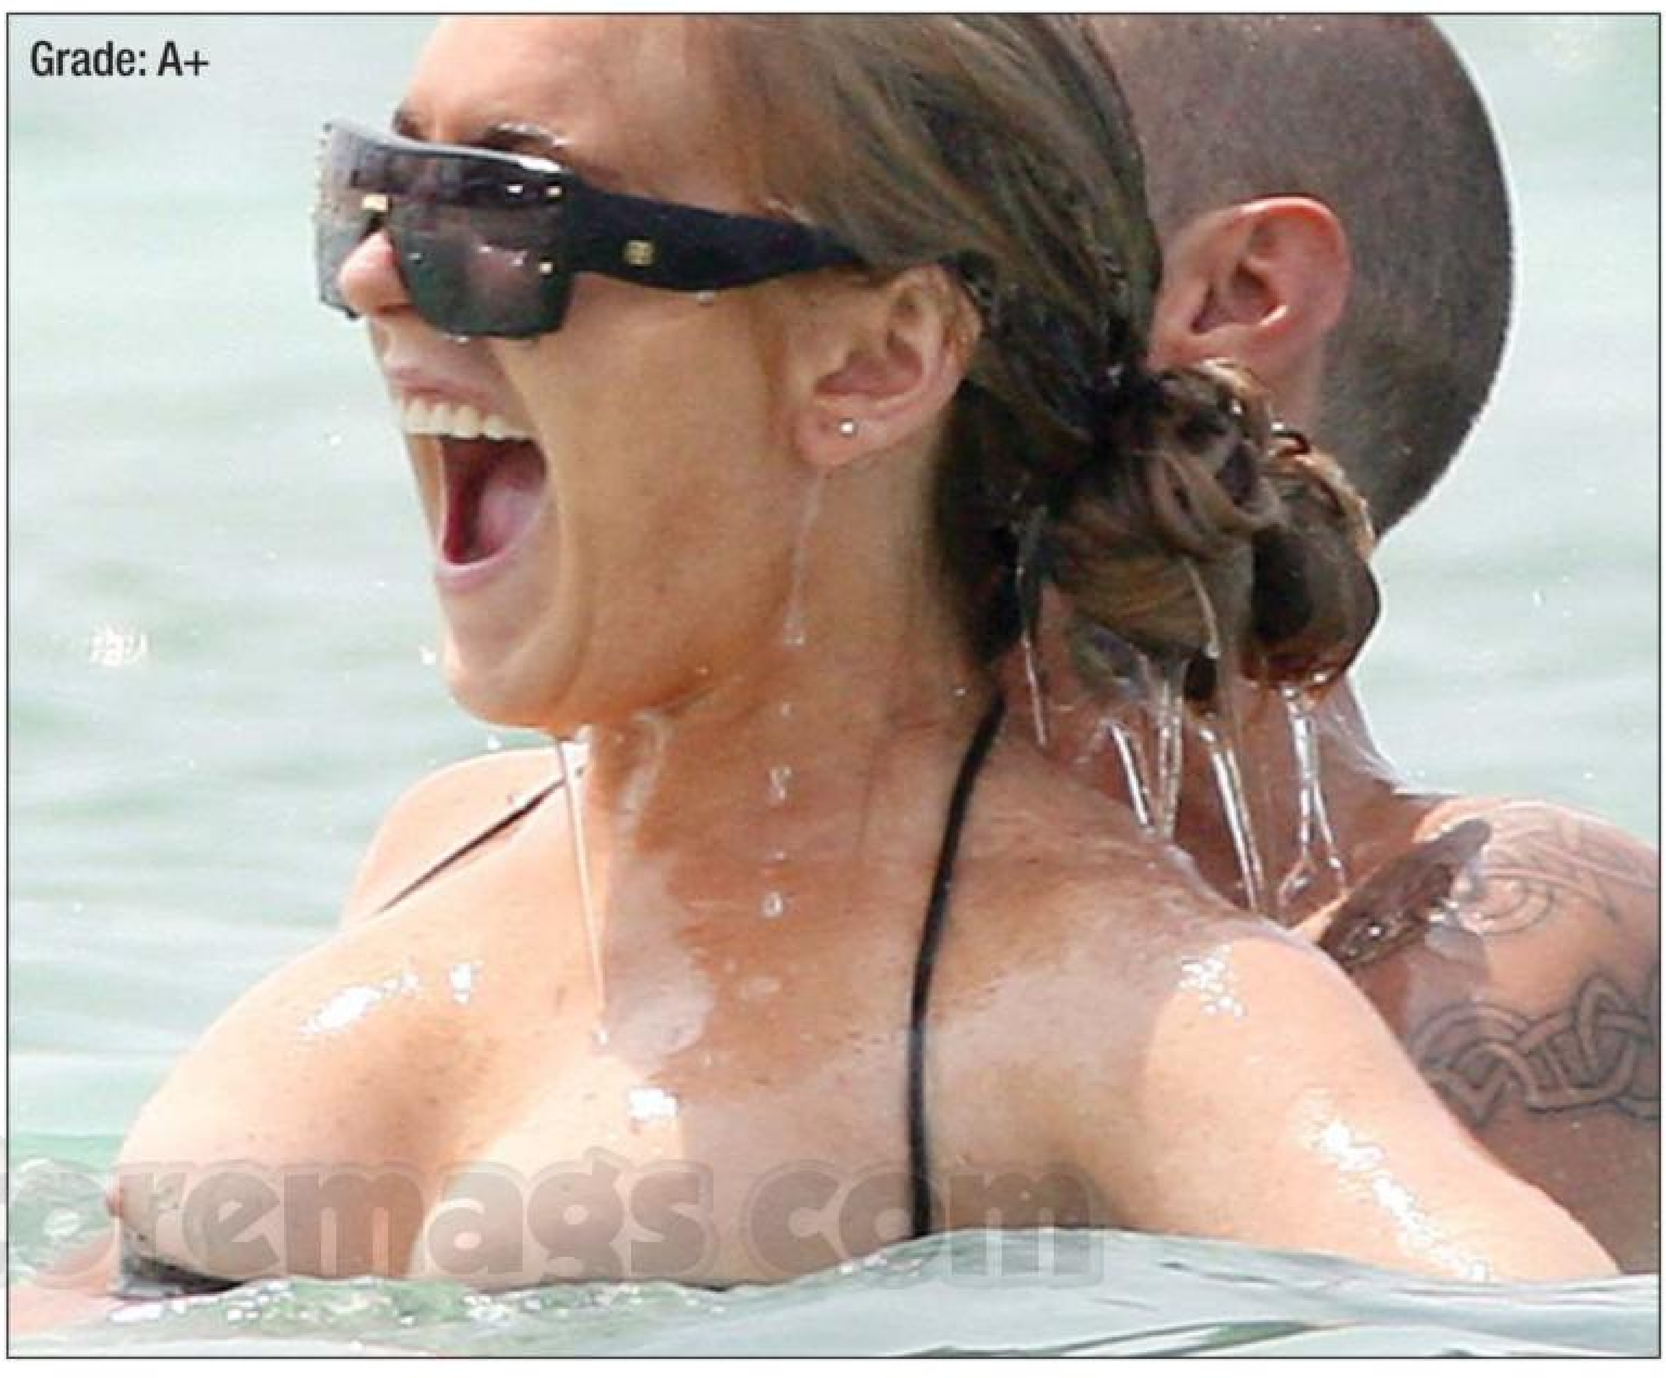
LINDSAY LOHAN

BOOB WATCH!

Cup: D



Grade: A+

Dennett/StClair/Splash News

When it comes to PDTAs (public displays of tits and ass), Lindsay Lohan is like a straight-A student who does extra-credit assignments just for fun. She's only 20 years old, and she's already been in BARELY LEGAL *three times* for achievements in nipple and side-boob exposure. She could start wearing a burka tomorrow, and she'd still reign as the all-time barely legal celebrity champ.

But Lindsay totally never rests on her laurels. On a recent vacation in the Bahamas with her latest boyfriend, Calum Best, things got a little slippery. As in *nipple* slippery. As in the most nip slipped by Lindsay *ever*.

At this rate, could full-on titty be next? We expect no less from our little overachiever!

MUST-SEE DVD

BIJOU PHILLIPS

by sophie the intern

Actress Bijou Phillips has been my idol since I was teeny-tiny. I mean, she started modeling in underwear ads at age 13! Later on, she lost her virginity to a rock star, had threesomes with the son of Cher and flashed boobs and bush in *Bully* (2001). As a barely legal girl, she had, like, no equal.

But now that she's 27, which is practically 30, Bijou is all boring and settled down with one guy. Plus, I just saw her new movie, *Hostel: Part II*, and she doesn't even get naked! It's like I worshiped her all these years for nothing!

To cheer myself up, I re-watched *Bully* and reminisced about the bad old days. And played with my pussy. And "accidentally" left my bedroom curtains open so my neighbor could watch. It's something the barely legal Bijou would have done—don't you think?

SCARLETT JOHANSSON

YOUNG CELEB FANTASY

Scarlett Johansson recently came in at a completely unfair number three on the hot 100 list of some lame magazine, but they forgot to mention that she has the *number-one celebrity rack* everyone—including reader Frank of California—wants to see. Even *Pamela Anderson* says she wants to peep Scarlett's hooters! (Can't Pam just look in the mirror?)

Anyway, Scarlett obviously *loves* her titties. She calls them her "girls" and, let's be honest, she *barely* covers them. So why are you depriving us, Scarlett? Are you afraid your bare boobs won't live up to the hype? We can help! Look, here's a (fake) sneak preview. You look *nice* naked! You're totally *our* number one. (*Pssst!* Call us when you're ready to pose for real.)

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

DISCLAIMER: Parody picture; no such picture of Scarlett Johansson actually exists. This composite fantasy picture is altered from the original for our imagination, does not depict reality and is not to be taken seriously for any purpose.

NANCEY
after-school special

I'm not the *only* one at my school who fantasizes about boinking Mr. Reilly. But now that I'm 18, I'm the only one who's actually *done* something about it.

He's still in his 20s—*maybe* 30s?—so it's not like he's robbing the cradle. And besides, I had him for World Civ. *last* year, so it's not like I boned him to get a good grade. Nope, this was totally for the fun of it!

I'm not the prettiest or most popular girl in school, but I'm always up for anything. Sometimes when you want a guy, you have to just go after him. Okay, in my case, "going after him" meant sitting in the front of the class all year like a brown-noser, *trying* not to drool and hoping he'd notice me. But that was last year. This is *this* year. I'm officially a woman now, and people are going to see a whole new me.

First? I'm wearing sexier outfits. Second? I rarely wear panties, and, when I do, it's usually something unusual. But the big thing is being more confident—and sex has helped me to do that. I just started doing it, but I'm already pretty good at it. In just a few months, I've gone from practicing BJs on bananas to taking it up the butt.

I didn't have butt sex with Mr. Reilly, though. He's too much of a gentleman. I had to come on to him a little bit with a striptease. Then he took out his cock and put my hand on it. I started moving my hand up and down. I was like, "Do you want me to suck it?" I took his jaw-dropping moan as a yes and went to work.

Did I mention this happened in the school? It was after class, but there were still people there for sports or extracurriculars. We could have gotten busted. Luckily we didn't. I laid down on his desk, and he *hammered* my poor little pussy. It was awesome. Older guys just know how to fuck.

Normally, I prefer doggy-style or being on top, but you have to be able to go with the flow. Especially when you're having sex in random public places. I think people are starting to suspect something, though. Oh, well. People will *always* talk about you. Might as well give them something to talk about! ★

ZAFIRA

idle hands & someone's playthings

photography by medium

Can you *believe* this outfit? I go to a Catholic high school where they actually make all the girls wear this stuff. I bet the principal's a big huge perv. But whatever. So am I!

I got held back a year, so I'm the only one in my class who's 18. At first, I felt like the biggest 'tard. But now it rules because I get to do things those stuck-up little bitches in my class can't—grown-up things!

It's funny. I guess a school uniform is *supposed* to make you all proper and ladylike. But all I have to do is take off my panties, and I feel like the dirtiest slut *ever* in this thing. I can flash my butt to a cute guy or even just diddle myself in class.

You know how when you're super horny and you squeeze your legs together and you can feel a tingle all over your special area? Well, I love doing that in class in my uniform. Of course, I love *opening* my legs, too! The thought of some cute guy diving down there and licking my pussy makes me *soo* hot!

I can't *not* daydream when I'm in class. My physics teacher teases me for the way I suck on my pen when I zone out. He says it looks like I'm dreaming about giving head! Well, he doesn't say "head," but I know that's what he's thinking—this one time, when he gave me some bogus detention, I got out of it with a BJ. I get wet just thinking about it.

Most of the time, I can't wait for school to get out so I can run home and play with my favorite vibe. I keep a pocket rocket in my purse for emergencies, but I like the bigger one better. I *love* taking a big, plastic cock as deep as I can go and imagining that I'm getting fucked like a dirty whore. *Oops*! Did I say that? I'm sorry, I know it's not very ladylike to think about a hot guy fucking me like an animal, but I never said I was ladylike! ★

But believe it or not, she's "sorta shy" when it comes to sex. "I haven't done much," she reveals. "I don't have a favorite position." Favorite sexual activity? "No answer!!!" How about oral sex? Hello! Megan the intern here. Cutie-pie Melisa is studying psychology in college, but she says she learned a lot more about herself posing for BARELY LEGAL. That makes me so proud!

Did you like posing nude? Did it make you feel hot? Yes! I never realized I was such an exhibitionist.
What part of your body do you consider your best? My titties. They're super firm.
Do you enjoy exposing yourself in public? You mean *public* public? I've never done it, but if it feels the same as exposing myself for the camera, maybe I should try it! :)
Do you wear panties? Yes, thongs.
How often do you masturbate? Every day, at least once a day. God, I sound perverted!
What method? Fingers. Vibrator. Shower massager. Anything that's handy, basically!
"I hate/like/love giving head." Love. I want the guy to feel good, and it's something every guy likes.
"When I give head, I'm a spitter/swallower." Swallower. It's less messy.
"I hate/like/love receiving cunnilingus." LOVE. Whoever invented that should win the Nobel Peace Prize!
What's your favorite sexual position? From behind.
How can a guy best make you come? Let me grind on top and get my clitty going.
"I hate/like/love anal sex." Like. When I'm feeling extra nasty or if I'm really, *really* into the guy.
Where do you like a guy to come? Inside me. It feels very intimate.
Are you bisexual? Not really.
Have you ever had sex in public? No, not yet.

Age: 18
Height: 5-4
Weight: 120 pounds
Measurements: 34D-23-34
Hometown: Lexington, KY

Ever had more than one lover at once? No, I like to concentrate on one guy at a time in my life.

Have you ever fucked a stranger? No, because when I like a guy, it's based on personality, not looks.

What is the sluttiest thing you've ever done? I am not a slut.

What's the absolute best sex you've ever had? Probably the time my ex-boyfriend and I did it in my bedroom, with my parents in the next room. We were so afraid of being caught, it made it extra exciting.

What kind of men do you like? Smart. Confident, but not an asshole.

What kind of women? N/A.

What's the best way for a man to pick you up? Talk to me about real subjects, not my boobs or my rearend.

Describe your ultimate sexual fantasy: Well, this is kind of a new development, but I think I'd like to fuck a guy while someone is watching. Seriously, I so got off posing nude, I think full-on sex is the next step! ★

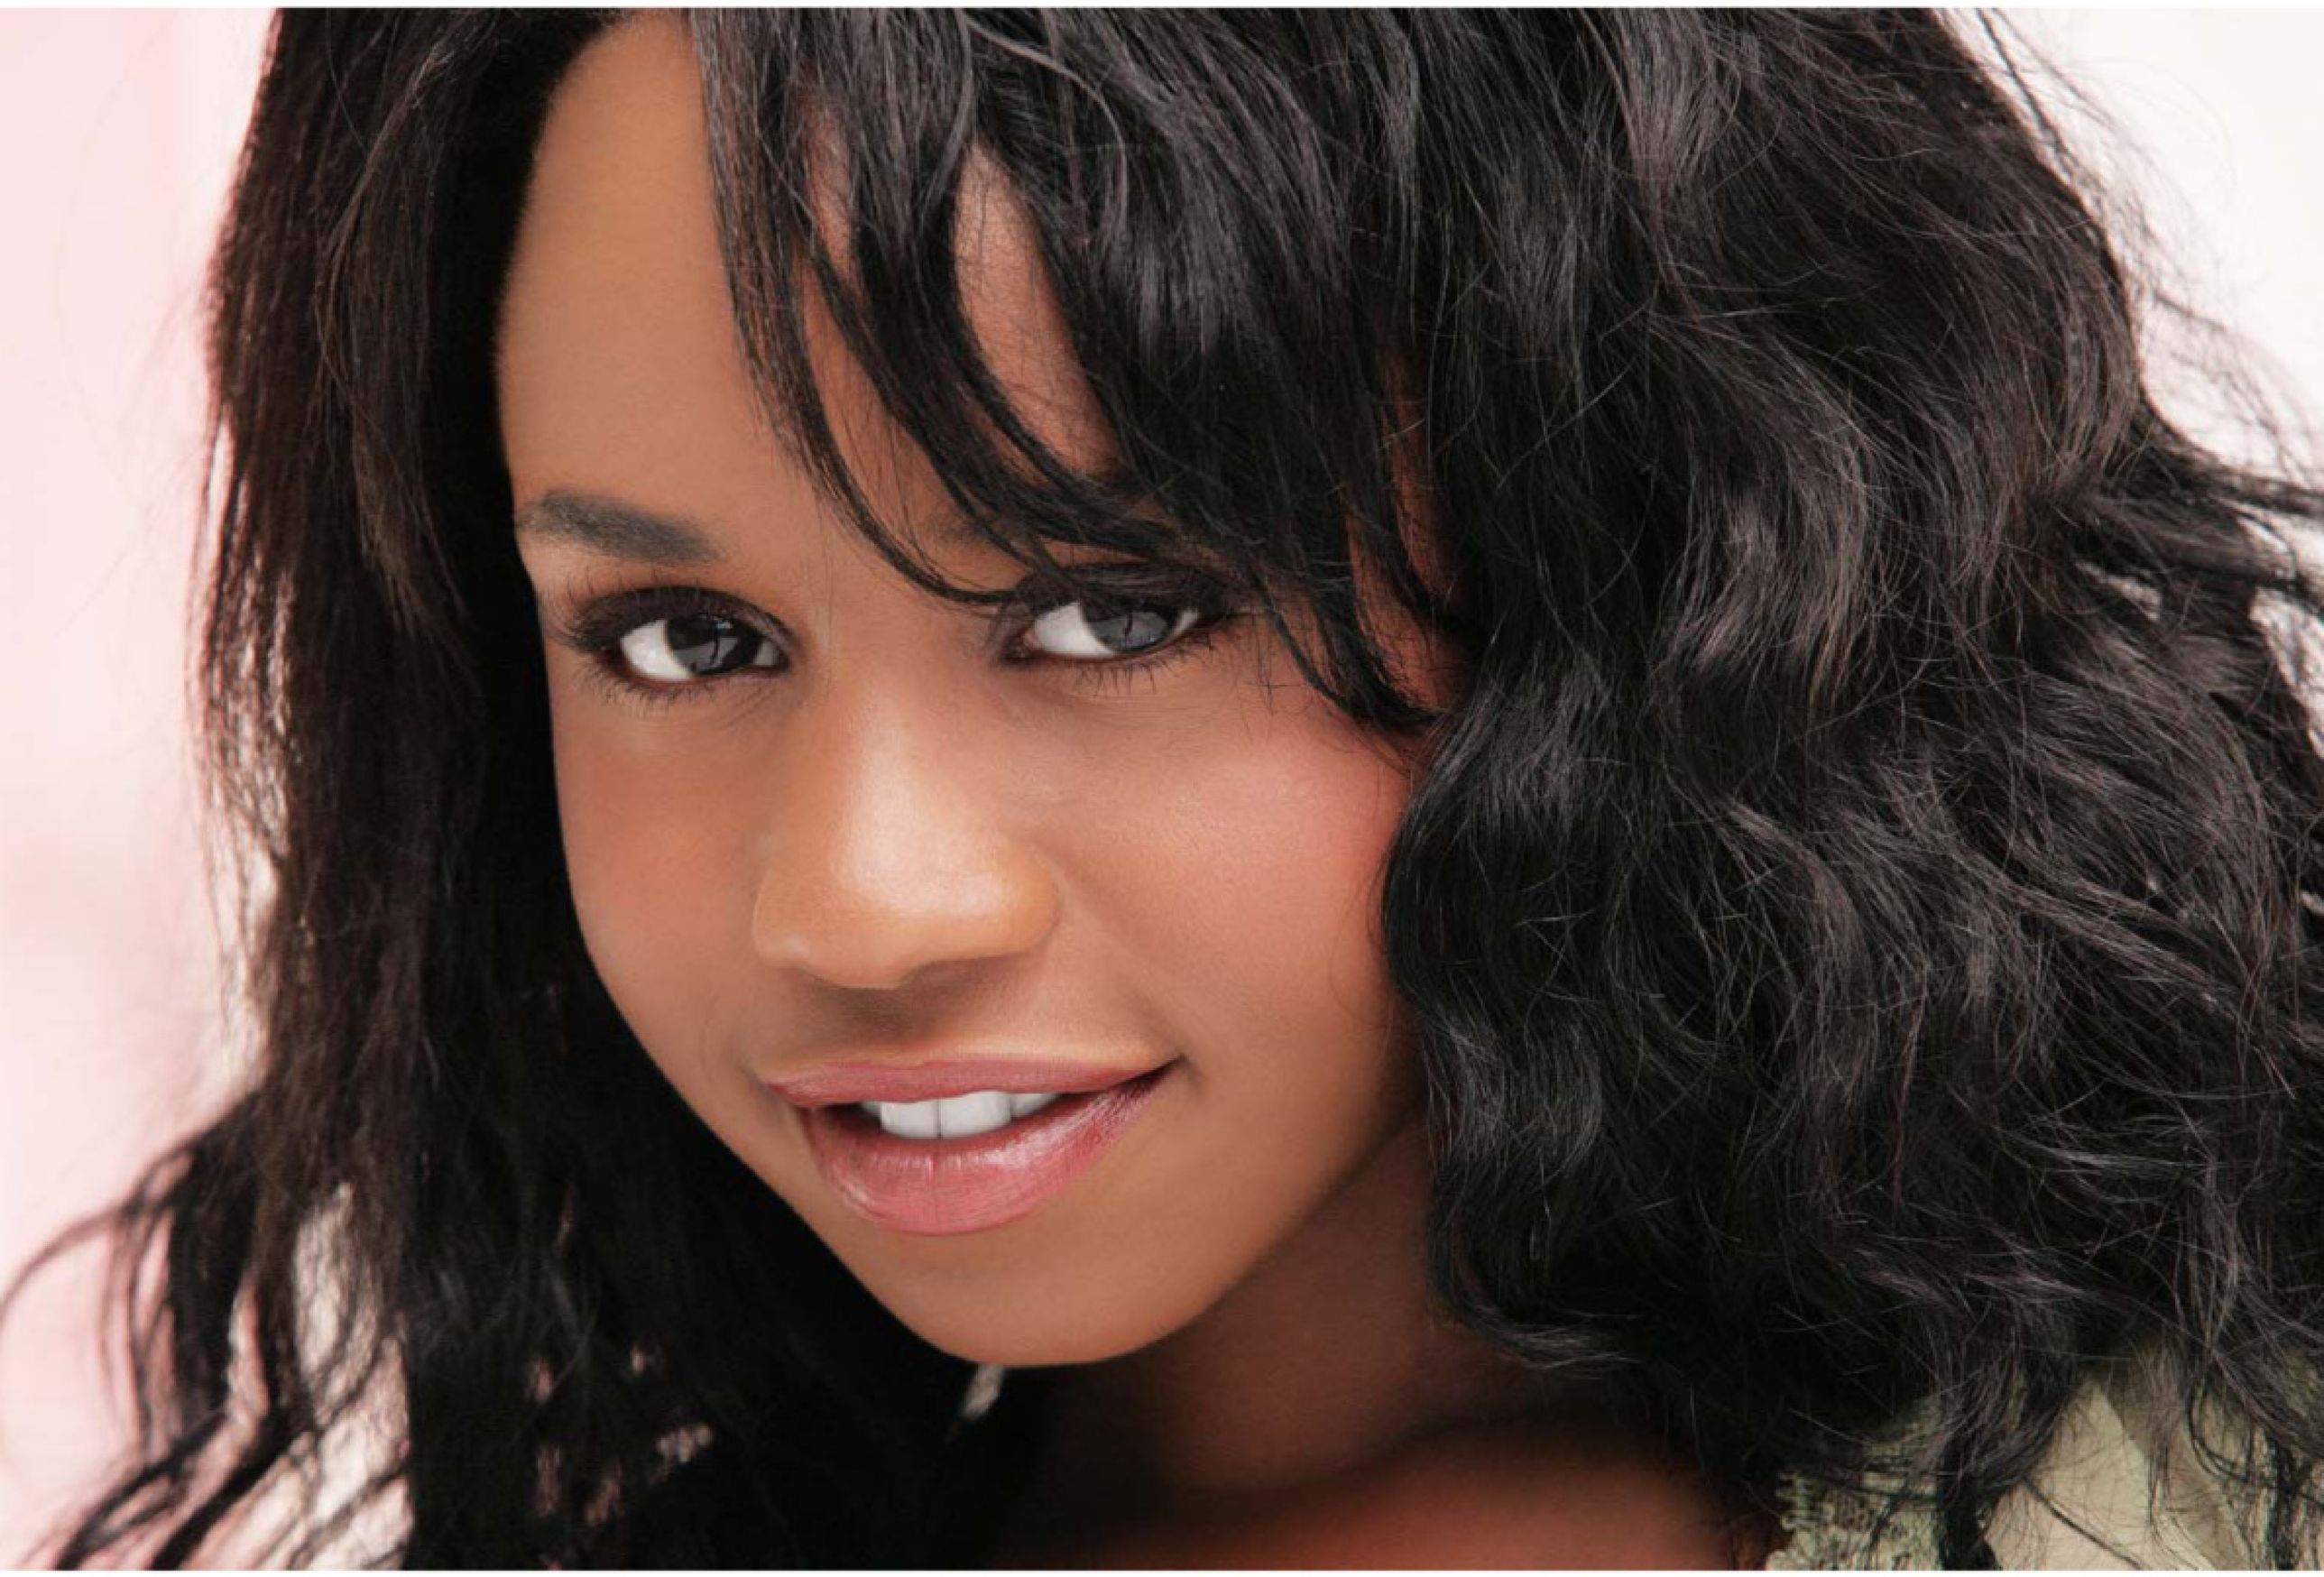
PROMISE

looking for mr. right



photography by mark lit

Hey, guys! Sophie the intern here. Promise is one of the smartest BARELY LEGAL girls ever. She's studying creative writing in college, and she's working on her debut novel! She won't let anyone read it yet, but she says it's "mostly autobiographical"—which means it must have lots of sex in it!

sophie: Hi, Promise. Good to see you again [see *Promise: Career Opportunities*, July 2006]. What's new?

promise: I've been busy with school—and boys.

sophie: Are you seeing anyone special?

promise: Not really. I just hook up with random guys. It's hard to find a guy who can be understanding about the whole porn thing.

sophie: How did you start doing porn?

promise: I met a porn star, and we became friends, and she invited me to the set of one of her movies. It looked exciting, so I decided to try it.

sophie: What kind of sex do you like?

promise: I like it rough.

sophie: Do you like butt sex?

promise: I've only done anal a couple times. I love it, but I save that for special occasions. I just like to be fucked *hard*. Plus, having my hair pulled or my butt spanked doesn't hurt.

sophie: Are you bisexual?

promise: Kind of. I've slept with a few girls, but just for fun. You know, at parties or whatever.

sophie: What were you like in high school?

promise: I was a cheerleader. Nobody who knew me in high school was shocked to find out I'm doing porn.

sophie: Have you ever slept with any of your teachers?

promise: I wish! I don't know what's wrong with them. I guess I make them nervous.

sophie: Do people at your school know you're a porn star?

promise: Yeah, I get hit on constantly.

sophie: But you still can't find Mr. Right?

promise: Maybe someday. But I'm a big flirt. I don't think I could be tied down to one guy anyway. When I *do* find Mr. Right, I will make him the happiest man on earth. ★

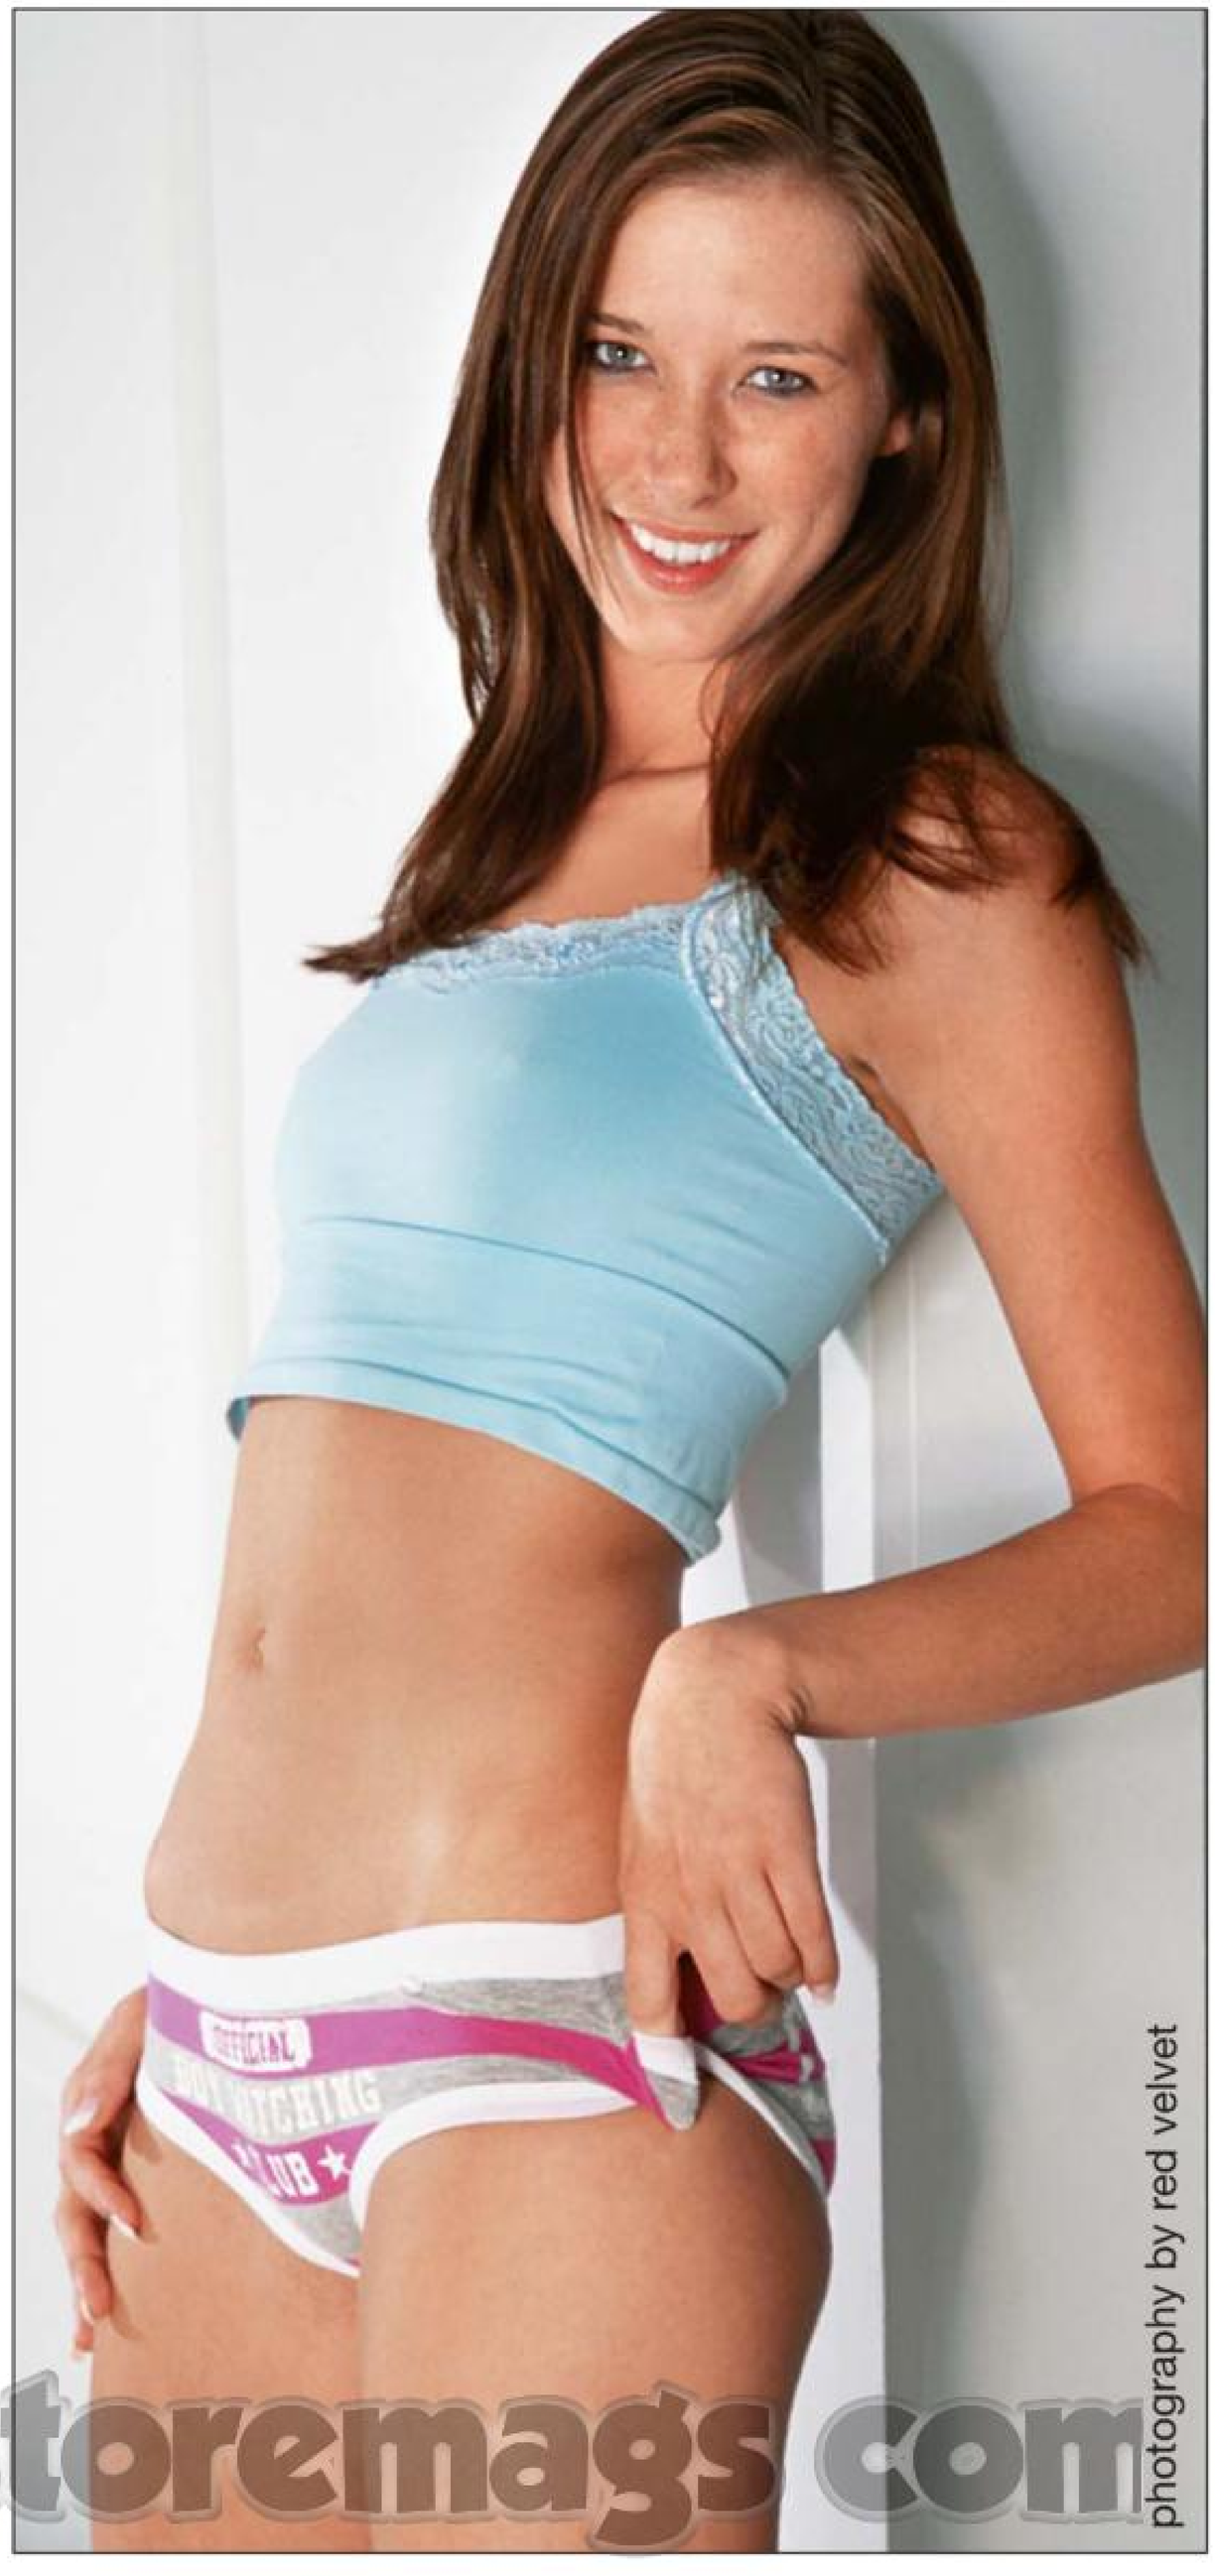
summer forever

the diary of a BARELY LEGAL girl

by brooke casey



You guys, we have so much catching up to do. Time has flown by since I first posed for BARELY LEGAL (Brooke: Friends Come First, January 2006). I finished high school, turned 19 and spent the last year and a half slacking off and having a completely great time, basically.

Unfortunately, the party will end when I start community college in two weeks. Aaaak! But at least I had the best summer ever. Mom and Dad took their lifelong dream trip to Europe and left me in charge. I know, crazy! I can't even fit all the fun I had here, but I wanted to at least share a few choice bits from my diary. Summer '07, I miss you already!

June 19

Mom and Dad leave in the morning. I can't believe they're really going! They're like, "We're trusting you. Don't throw any parties." I believe in being trustworthy, but also, I think just a few friends would probably be okay. I mean, friends other than Wendy. Like, what if we meet the guys of our dreams? I'm sure it would be fine if Brad Pitt and Orlando Bloom came over and chilled.

Ha ha! Seriously though, Wendy is coming over tomorrow night and we are doing pizza and a movie. This activity is totally within the rules because Mom and Dad love Wendy and they know that she will practically live here the whole time they're away.

Anyway, gotta go—Dad's taking us out to eat. Chinese Dragon egg rolls and orange chicken—forever my fave! XO, Brooke

June 20

So I totally cried when Mom and Dad boarded the plane, then I left the airport and drove home and cried the entire way. What can I say? I love my parents even though they're totally annoying.

Now I'm taking a giant nap because I had to get up at 4:30 this morning and I'm about to die. Gots to get my zzz's so I'm not a sleepyhead for Wendy. G'nite!

June 21

Last night, full report. We ate Meat Lover's and Cinnamon Sticks and watched *When a Stranger Calls*. It was super stupid, but I got freaked out and kept thinking I heard noises upstairs. I can't help it, I'm a puss for scary movies!

The only cure for my fear was *The Hills* marathon on MTV. *The Hills* calmed me down and made Wendy horny. She has a crush on Spencer (I hate Spencer, but anyway) and also on Heidi because Wendy is a total bi. Well. Heidi is blond and I think she's prettier than me, but Wendy and I made out anyway. It seems like we do that way too much these days. I'm really starting to feel gay. I don't think I'm a lesbian, but the truth is that I enjoy fooling around with Wendy, especially right now when we're both single. Girls have needs!

Wendy makes me come a lot. Last night she was kneeling on the floor in front of me, and I was just chilling on the couch with my pants off while she sucked on my pussy. I mean, I didn't have to do anything! She had her mouth clamped on my mound and her tongue going at breakneck speed, and I must have come four times in like ten minutes, not exaggerating.

storemags.com

"He fluttered his fingers against my clit, still super soft and, like, ticklish."

Having that many orgasms that fast is kind of exhausting, but I'm a real friend so I was like, "Let me stretch out on the couch and you can sit on my face." But Wendy was like, "Don't worry about it," so I totally fell asleep. She's so weird that way. It seems like a lot of times it's enough for her to just lick my pussy. But who knows, maybe she masturbated while I was sleeping.

We need boyfriends, is what I think.

June 23

Saturday night tonight and Wendy's brother's college friends are having a big summer barbeque party! Wendy's brother hates it when Wendy goes to his parties, but his friends love her. Besides, he can't stop us—we're over 18!

He still feels like we're kids, I think. He can't let go from when we used to drive him nuts when we were like ten and he was 13. He thought he was so cool, playing Metal Gear Solid, all sulky in his bedroom listening to Fuel. We'd take Wendy's portable CD player into the hallway and blast the Backstreet Boys until he opened his door, and then we'd bust out with a dance routine and he'd get SO pissed!

Total tangent! Point being, Josh thinks we're still those girls from like 1998 and not the totally rockin' 19-year-old babes we are now. Obviously he'll always think his sister is a geek, but what about me? I've had a crush on Josh for, like, my whole life practically, but he wouldn't care if I fell off the planet.

I don't care, though. We're going to the par-tay and maybe one of Josh's friends will fall madly in love with me.

June 24

Okay, last night was the greatest, but remind me to never drink again because I think my head is about to explode.

It was worth it, though. I have a new heartthrob and his name is Keith. He doesn't go to college with Josh—he runs, like, an auto-parts store with his dad or something—but he hangs out with all those guys. Keith is cool, really laid-back and sweet. He listens to the Dave Matthews Band and stuff like that. Normally I'm not into stoners, but I might really be into Keith!

I got interested because Keith seemed quiet and not rowdy like the other guys. I was intrigued. I love a guy with mystery. He was chilling in a shady spot by the cooler drinking a beer and just watching the birds, I guess. Green Day was blasting. They're one of my faves, so I asked him if he likes Green Day. He went, "I'm more into jam bands." That's how we got to talking.

A couple hours later he'd laid a quilt out in the back of his truck and we were watching the stars and drinking 40s. Keith told me how he dreamed about leaving his dad's business and going to Mexico to learn how to make tequila and raise goats. Keith is kind of out there, but I like weird guys. Pretty soon we were kissing, and then he had his hand in my pants.

It seems like a lot of guys don't really know how to finger a girl right—like, they get their hands down there and just mash and squeeze at your pussy like it's Silly Putty. Not Keith, though. I laid back and sighed and just let him do his thing.

He started by stroking my lips, really soft and light, and only on the outside, like teasing them. Then he dipped between my labes and fluttered his fingers against my clit, still super soft and, like, ticklish. It wasn't until I was wet and slippery that he slid a finger into my pussy. It glided right in—I was SO horny. He wiggled his finger around and then he slid another one in and started wagging. I don't know if he was working on my G-spot or what, but it felt incredible, whatever he was doing. That was the first time I ever came from a guy fingering me.

Well, after that I wanted to suck his dick, so I rested my head in his lap and unzipped his jeans. I wasn't expecting his cock to be so big because he's just a regular-looking guy, maybe like 5-10, and his frame is wiry. But you just never know. Out popped this, like, porno-guy dong and I was like, How am I going to get my mouth around this thing?

But I didn't end up having a problem with the BJ. I just had to take breaks so my jaw wouldn't get too tired. Keith seemed to like that anyway, because everytime I gave my mouth a rest, I used my hand to twist and squeeze. His cock was all slippery with spit, and he moaned when I squeezed. I figured out a rhythm—suck-suck, lick-lick, squeeze—and soon he was squirting jizz, a thick, long stream that shot into the air like a geyser and fell back down—splat!—into my hair. Oh, well, it makes good conditioner. (Yes, I just made that up!)

So I really hope Keith calls because I want to see him again, just as soon as this hangover goes away.

June 27

Keith is coming over tonight! Also, we've talked on the phone like five times since Saturday—is he, like, my boyfriend already? I know we only just met, but I feel like we have a connection.

Also, Wendy is coming over and bringing Frank (she also met him at the party, I can't believe we both met guys!) and she's going to cook dinner for everybody because she's, like, a total gourmet chef. She keeps saying she's going to culinary school, but so far nothing, and why is she a hostess at Applebee's when she could at least start cooking there and learn how to make Fiesta Lime Chicken? Anyway, Wendy is all over the place. Tomorrow she'll probably want to be an ice skater or something random like that.

So, just four of us here at the house, that doesn't make an actual party, does it? I don't think I'll be breaking house rules, except I wonder if the guys will bring wine. That's okay, wine with dinner is civilized.

Gotta run and take a nice hot bath and make sure my pussy is shaved extra clean. Peace!

June 28

What a night. Wendy cooked spaghetti and meatballs and made a giant salad, and Keith and Frank brought a jug of wine each. What did I say a few days ago about reminding me not to drink? Oh, well. I never knew four people could make such a raging party!

We were chill at first. We ate by candlelight and made toasts and I felt swank, like I was on a cool new TV show or something. I felt cute, too, in my adorable white skirt and cami I snagged on sale at Express.

Of course Wendy looked hot, too—more sexy than me even, because she always is. She had dark lipstick and all of her blond hair was piled high on top of her head and she wore these black short-shorts that showed off her butt. I try not to be jealous, but I noticed that Keith was checking out her ass a lot. I can't really blame him, but also I admit deep down I felt a little bit pissed.

It was fine, though. I wasn't going to be pissed, I was going to have the best night ever. We ate dessert (awesome brownie sundaes) and Wendy was like, "Let's dance, everybody!" Leave it to Wendy to always keep the party going.

Wendy cranked Justin Timberlake. Frank was all, "This music is gay," and Keith was like, "Fuckin' corporate pop, man!" Whatever with those guys wanting to dis JT. The truth is that

"His finger glided right in—
I was SO horny."

he gets everybody dancing, guaranteed. (I love you, JT!)

So we were all four busting moves in the living room, and by now I'd had a few glasses of wine so I was feeling pretty uninhibited, and I guess Wendy was, too, because we started dancing together, like, showing off for the guys. Pretty soon Keith and Frank were kicking back on the couch, just relaxing and watching us be, like, hot-to-trot stripper lesbians.

At first we were just being stupid, like bumping butts and goofing off. But of course "SexyBack" made us go buck wild and we wound up topless. How insane is that? It would be one thing if it was only Keith there, since me and him fooled around already, but this Frank guy, I mean, I'd hardly even met him, and he was not my date, but I had my titties out!

That's okay, though. The guys were enjoying themselves. Wendy and I were hot and our boobs were bouncing (especially hers, 'cause Wendy is stacked).

Well, we could have just left it at that, but when "Sexy Ladies" started playing it was just too much, and Wendy and I started making out. I couldn't help it, I had to squeeze her big, fluffy boobs, and then I had to lick them because once you squeeze them, you can't just stop. I sucked her nipples, she sucked mine, we mashed our boobs together. I know, am I a porn star or what?

Of course all this girl-on-girl action was making the guys horny, so after a little while Frank got up and started dancing behind Wendy, totally freaking and pressing his boner on her butt. Keith is more laid-back and mellow, so he stayed seated, watching, but I could see plain as day that he had a raging bulge in his pants. I didn't want him to feel left out, so I strutted right on over and gave him a lap dance. It sounds kind of hilarious writing it down, but in the moment it was the perfect thing to do.

Meanwhile, Frank and Wendy just didn't even care, because they were totally having sex not four feet away. Wendy was bent over the arm of the love seat with her shorts at her ankles and her boobs bouncing on my mom's favorite throw pillow, handcrafted in India with embroidery and beading—Mom would DIE! They were having a great time, though, and normally I might feel embarrassed to see people having hot sex right in front of me, but not tonight, baby!

I guess that's why my lap dance turned into full-on sex. I mean, all I had to do was push my panties aside and slide down on Keith's ween. I guess it's a little weird that our first time having sex was with another couple humping nearby, and never mind that JT was blasting on the stereo instead of, like, Phish or something more Keith's scene. But you know, Keith is an unusual guy, so in that way it totally fits that we had an unusual sex experience together.

Besides, it was great. I mentioned that Keith is seriously hung, and for a second I did wonder if it would hurt to sit down on his giant thing, but it felt awesome. I have to say, I love being on top, but I'd never done it exactly that way, like, what would you call it—lap riding, maybe? It's a great position because you really get a lot of friction on your clit, so you come easy. I know I did, at least. I didn't even care—I threw my head back and moaned and kept on going.

Keith turned me around the other way so he could watch my butt. I bounced and bounced and watched Frank and Wendy. I wasn't sure from my angle, but I think Frank might have been in Wendy's butt!!! Whatever they were doing, they were enjoying it.

They both started moaning, and it sounded like they were orgasming simultaneously. That must have sent Keith over the edge, too, because just as they were coming, Keith started pounding harder and harder until he pulled out and splooged all over my butt cheeks.

So, I wonder if those carpet steam cleaners you can rent at the grocery store will remove cum stains. I'm worried about the upholstery. I will never be able to look my parents in the eyes when they sit on the sofa, even if I do get it, like, perfectly clean. It was worth it, though!

***

Can you believe how much fun I managed to have in just a little over a week? The party train kept chugging, too, all the way into July. Things have settled down now, though. My folks are back. Plus, Keith actually ran off to Mexico and he didn't take me. Yes, my heart is broken, but he needed to be free, and I guess I can understand. Who knows, once school starts, I might buckle under the pressure and run away somewhere tropical like the Florida Keys.

I'll let you guys know if I do anything crazy. You know I'm a good girl at heart, though. Wink wink! ★

"I must have come four times in like ten minutes, not exaggerating."

KIMORA

letting down my hair

Hey, it's your ol' pal Sophie the intern. Part-time fashion student/sales associate Kimora *seems* like a total tough girl from New York City, but she's really just a shy sweetheart. We're glad she opened up for us!

Did you like posing nude? *Yesss*...but I'm not *totally* comfortable yet. The photographer kept telling me to smile, but I felt too goofy. But I'm glad I posed, 'cause now I have nice photos!
What part of your body do you consider your best? My hair. I've never cut it my entire life—just trimmed it to keep it healthy-looking.
Do you wear panties? Yes.
How often do you masturbate? OMG, that's so personal! Um, okay—once or twice a week.
What method? I use a pillow.
"I hate/like/love giving head." Like. It makes me feel sexy to put a guy's thing in my mouth.
"When I give head, I'm a spitter/swallower." Spitter. No offense, but it's not my favorite flavor.
"I hate/like/love receiving cunnilingus." Love. Who doesn't?!
What's your favorite sexual position? Doggy.
How can a guy best make you come? Doing me rough from behind. Pull my hair with both hands!
"I hate/like/love anal sex." Oh, shit—you're really asking that? I can't tell you. What if someone I know reads this?
Where do you like a guy to come? On my tummy or my butt.
Are you bisexual? No. Guys only.
Have you ever had sex in public? No!
Ever had more than one lover at once? No, I don't think that's nice.
Have you ever fucked a stranger? I had a one-night stand, but it was with my friend's cousin from out of town, so he wasn't a total stranger.
What is the sluttiest thing you've ever done? See above.
What's the absolute best sex you've ever had? I guess with my friend's cousin, because we only had a little bit of time to spend together. It felt special and romantic.
What kind of guys do you like? Strong, take-charge.
What's the best way for a guy to pick you up? Compliments are always nice to hear. But they have to be sincere!
Describe your ultimate sexual fantasy: Sex on a rooftop, with the lights of the city all around us, and no one knows we're up there.

HUNTER & KAYCEE

anything boys can do, we can do better

photography by markham

Hi, I'm Nikki. I just started here at BARELY LEGAL as an intern. I don't really know what I'm doing yet! On my *very first day*, I was supposed to go to this photo-shoot and interview Kaycee (she's the blond one) and Hunter (the brunette) and ask them all these dirty sex questions. But I got really nervous about being on a porn set with not one but *two* girls who were naked *and* having sex! So we ended up doing it later over the phone. I hope that's okay!

nikki: Hello?
kaycee: Hello, this is Kaycee.
nikki: Hi, I'm Nikki. I'm calling from BARELY LEGAL. Is Hunter there, too?
hunter: Yeah, I'm here. Hi, Nikki.
nikki: I'm *so* sorry I didn't make it to the photo-shoot, you guys. How did it go?
kaycee: Great. It was fun. Hunter did this *amazing* thing with her tongue that she's teaching me how to do. Being with her was like being with *two* guys at the same time.
hunter: *Aw*, thanks, Kaycee. You were great, too. You've got a great bod—and your you-know-what tastes like cherries.
kaycee: *Ooh*, you noticed!
nikki: Are either of you into guys at all?
kaycee: *Uh*, yeah! This was actually my first time ever with a girl. I wasn't really sure what I was doing. Hunter made it easy for me. The dildo thingies were a big help, too.
hunter: Well, Kaycee made it easy for *me*. I mean, look at that butt! Who wouldn't want to hit that? I've been with other girls before, but I've had boyfriends, too.
nikki: Was it weird doing it in front of a camera, or were you guys cool with it?
kaycee: It was fine. The photographer was really nice. Having a guy there was kind of a turn-on.
hunter: I probably would have been *more* nervous if I was just posing by myself. I was having so much fun with Kaycee, I forgot we were being photographed.
nikki: How did you guys get into modeling?
kaycee: I was approached over the Internet. I started doing bikini and lingerie modeling, then found out how much more I could make posing nude.
hunter: I went to a strip club and got hit on by a stripper! She did some porn, too. She said I had a "quality." She gave me her manager's card, and the rest is history.
nikki: So, is it okay if I ask some sex-related questions?
kaycee: Shoot.
nikki: What's your sexual nature? Are you horny all the time? What are you like in bed?
kaycee: I love sex as much as guys do. Maybe more! I have to initiate it sometimes.
hunter: I'm different with girls and guys. With girls I like to take it slow—lots of kissing and cuddling and fingers and tongues. But I like my guys to be more rugged and dominant. Like, I like having my ass slapped.
nikki: *Oo-o-okay*. What about you guys's sexual fantasies?
kaycee: I've always wanted to have a threesome with a guy and a girl. But I never even *thought* about having a threesome with two guys! Having one dildo in my butt and one in my pussy felt *soo* good, I can't help wondering what the real thing would be like.
hunter: Why stop there? Mine is to have my own sex slave. He'd be, like, begging me for a blowjob, and I'd be all, "You'd like that, wouldn't you? But you're my slave. You have to do every single thing I say."
nikki: Okay, good share. What's that, Lindsey? You want me to rub your what? Sorry, guys, I gotta go. Bye! ★

They Only Want One "Thing" Chapter 6

The adventures of Teresa, Sophia and Steve, who share an apartment—and each other!

©2004 Atilio Gambedotti and Ivan Guevara, represented by Ediciones La Cupula, S.L. Barcelona, Spain and ©2005 NBM/Eurotica for the English translation.

THIS ISN'T WHAT I EXPECTED. YOU'RE NOT COMMITTING TO THIS RELATIONSHIP. FOR YOU, IT'S JUST A FLING.

LOOK, YOU CAN SAY WHAT YOU WANT, BUT LOVE TAKES TIME TO DEVELOP. YOU CAN'T FORCE IT.

LUIS, DON'T TALK ABOUT LOVE. THAT'S NOT HOW YOU REALLY FEEL ABOUT ME. IT'S OBVIOUS.

SOMETIMES I THINK YOU'RE LIKE EVERY OTHER GUY AND THAT YOU ONLY WANT 'THAT'.

YOU'RE BEING TOO HARD ON ME. FIRST OF ALL, WE HAVEN'T KNOWN EACH OTHER THAT LONG. WE STILL HAVE A LONG WAY TO GO AND A LOT OF THINGS TO GO THROUGH BEFORE WE CAN REALLY COMMIT TO A RELATIONSHIP. WE CAN'T JUST JUMP IN HEADFIRST, WE'RE ADULTS NOW AND WE HAVE TO KNOW IF WE CAN SURVIVE AS AN ADULT COUPLE.

ONLY THEN WILL WE BE SURE IF WHAT WE FEEL FOR EACH OTHER IS REAL.

BLAH, BLAH, BLAH. DO YOU KNOW WHAT I'M REFERRING TO? INSTEAD OF TAKING ON YOUR ROLE, YOU PREFER TO INTELLECTUALIZE EVERYTHING.

DON'T BE SILLY. YOU KNOW I LOVE YOU.

DO REALLY MEAN THAT?

I DO SOPHIE, AND I'M NOT ASHAMED TO REPEAT IT AGAIN A THOUSAND TIMES.

I LOVE YOU!

FOR JUST 'THAT', HEH!

SLURP

MMMPH!

SLOWLY, TAKE IT EAS....

...YYYYY!!!

MORE, AH!

AAAAHHH!!

HE ONLY WANTS 'THAT' FROM ME AND WHAT DO I WANT FROM HIM?

AAAH!!!

OH! YES!

MMM

AH!

OOH

AH!

SLUT, RIDE MY COCK LIKE A HORSE!

TAKE THIS, AHHH!

AOHM!

AAH!

AHH

OH

TAKE THIS, BITCH! YOU LIKE FUCKING DON'T YA?

YES I LIKE IT.

AAAAAHH!!

MAN, SOPHIA'S SCREAMS TURN ME ON. SHE MUST BE WITH THAT IDIOT BOYFRIEND OF HERS.

ENJOY IT, BITCH! YOU'RE GOING TO HAVE TO BEG FOR ME TO TAKE IT OUT!

NO, DON'T TAKE IT OUT NOW!

NOW WE ARE GOING TO HONOR THIS GOR-GEOUS LITTLE ASS OF YOURS.

NOT FROM BEHIND! YOU KNOW I DON'T LIKE THAT.

BUT IF YOU NEVER TRY IT HOW DO YOU KNOW YOU DON'T LIKE IT?

DO YOU SEE HOW SELFISH YOU ARE? I SHOULDN'T HAVE TO TELL YOU AGAIN.

ALL RIGHT, BUT YOU DON'T HAVE TO GET LIKE THAT.

RELAX, WE CAN KEEP DOING IT THE WAY YOU LIKE IT.

I DON'T WANT TO NOW. YOU REALLY HAVE A TALENT FOR PISSING ME OFF!

SOMETIMES I THINK I HATE HIM.

AAAH!

PLEASE LEAVE NOW LUIS. I NEED TO BE ALONE. WE'LL TALK TOMORROW.

BUT SOPHIE.

PLEASE RESPECT MY DECISION, I'M BEING SERIOUS, SO GET DRESSED AND LEAVE.

BUT I...

I THINK IT'S BEST IF WE TAKE SOME TIME TO THINK THIS OVER.

WHAT HISTRIONICS!

AAAH! I CAN'T HOLD BACK MUCH LONGER.

COME ON BABE, SUCK IT!

StoreMags.com

MMMM!

GLM!

GULPS!

I'M GOING TO ...ARRGH... PFH! TO PASS OUT.

STEVE! WHAT ARE YOU DOING ON THE SOFA? AREN'T YOU UNCOMFORTABLE?

EH? WHAT?

I HAVE ONE WHOPPER OF A HEADACHE.

WHAT ABOUT YOUR BOYFRIEND? HAS HE LEFT YET?

I DON'T HAVE A BOYFRIEND ANYMORE.

HEY STEVE, WHERE DID YOU OFF TO, HANDSOME?
AND WHO IS SHE?
OH, NO! WHAT HORRIBLE TIMING!
YOU'RE SOPHIA, RIGHT. YOU LIVE WITH STEVE? DO YOU REMEMBER ME? WE WERE IN THE SAME CLASS IN SCHOOL.
?
MAYBE YOU DON'T RECOGNIZE ME BECAUSE I HAD CLOTHES ON BACK THEN.
I THINK THAT YOU HAVE TO GO NOW, RIGHT? COME ON, GET DRESSED QUICKLY. IT'S GETTING LATE.
?
I'M SORRY ABOUT THE INTERRUPTION.
SO YOU BROKE UP WITH YOUR BOYFRIEND. CAN YOU TELL ME WHAT HAPPENED?
BETTER YOU TELL ME WHERE YOU PICKED UP YOUR NEW GIRLFRIEND?
GIRLFRIEND? NO WAY! I DON'T EVEN REMEMBER HER NAME. SHE TOOK ADVANTAGE OF ME WHEN I WAS DRUNK.
OH SURE, POOR BABY.
SERIOUSLY, THAT HAD NOTHING TO DO WITH LOVE. IT'S BEEN A WHILE SINCE I'VE HAD A GIRLFRIEND.
BUT WHEN I DO, I PROMISE YOU'LL BE THE FIRST TO KNOW.
AGH!
BUT, HOW DO YOU WANT ME TO BELIEVE YOU? TERESA TOLD ME THAT A FEW OF HER FRIENDS CALLED ASKING FOR YOU AND IT SEEMS THAT THEY "KNOW" YOU VERY WELL.
IT'S NOTHING LIKE THAT! NOTHING SERI-OUS. LET ME TELL YOU, THE FLESH IS WEAK.
BESIDES THEY...
ONLY WANT FROM ME... 'THAT'.

FAQ About Xomax

Q. How soon do you see results ?
A. Most men see results with their first dose and increasing results over 60 - 90 days.

A. Up to 5 inches or more with a increase in width of 50%

Q. Is Xomax natural?
A. Xomax is 100% natural, safe and Doctor recommend for those looking for advanced penis enhancement, plus Xomax has no side effects.

Q. What makes Xomax the #1 natural penis enhancement formula?
A. Xomax has a highly effective proprietary blend of concentrated nutrients. These natural compounds are amazingly stimulating to the male penis. You won't find a stronger blend of nutrients in any other male enhancement product. The reason? Instead, they pass off less expensive ingredients, such a Ginseng or low end forms of L-Arginine.

Q. Is Xomax guaranteed to work?
A. Xomax is 100% GUARANTEED! If you're not completely satisfied, return the bottle(s) within two months to receive a refund. Men now have an effective way to increase the size of their penis. Why pay for imitations that will not solve the problem? You may spend a little more on Xomax, but the results will be worth it! You often get what you pay for. MACKENZIE

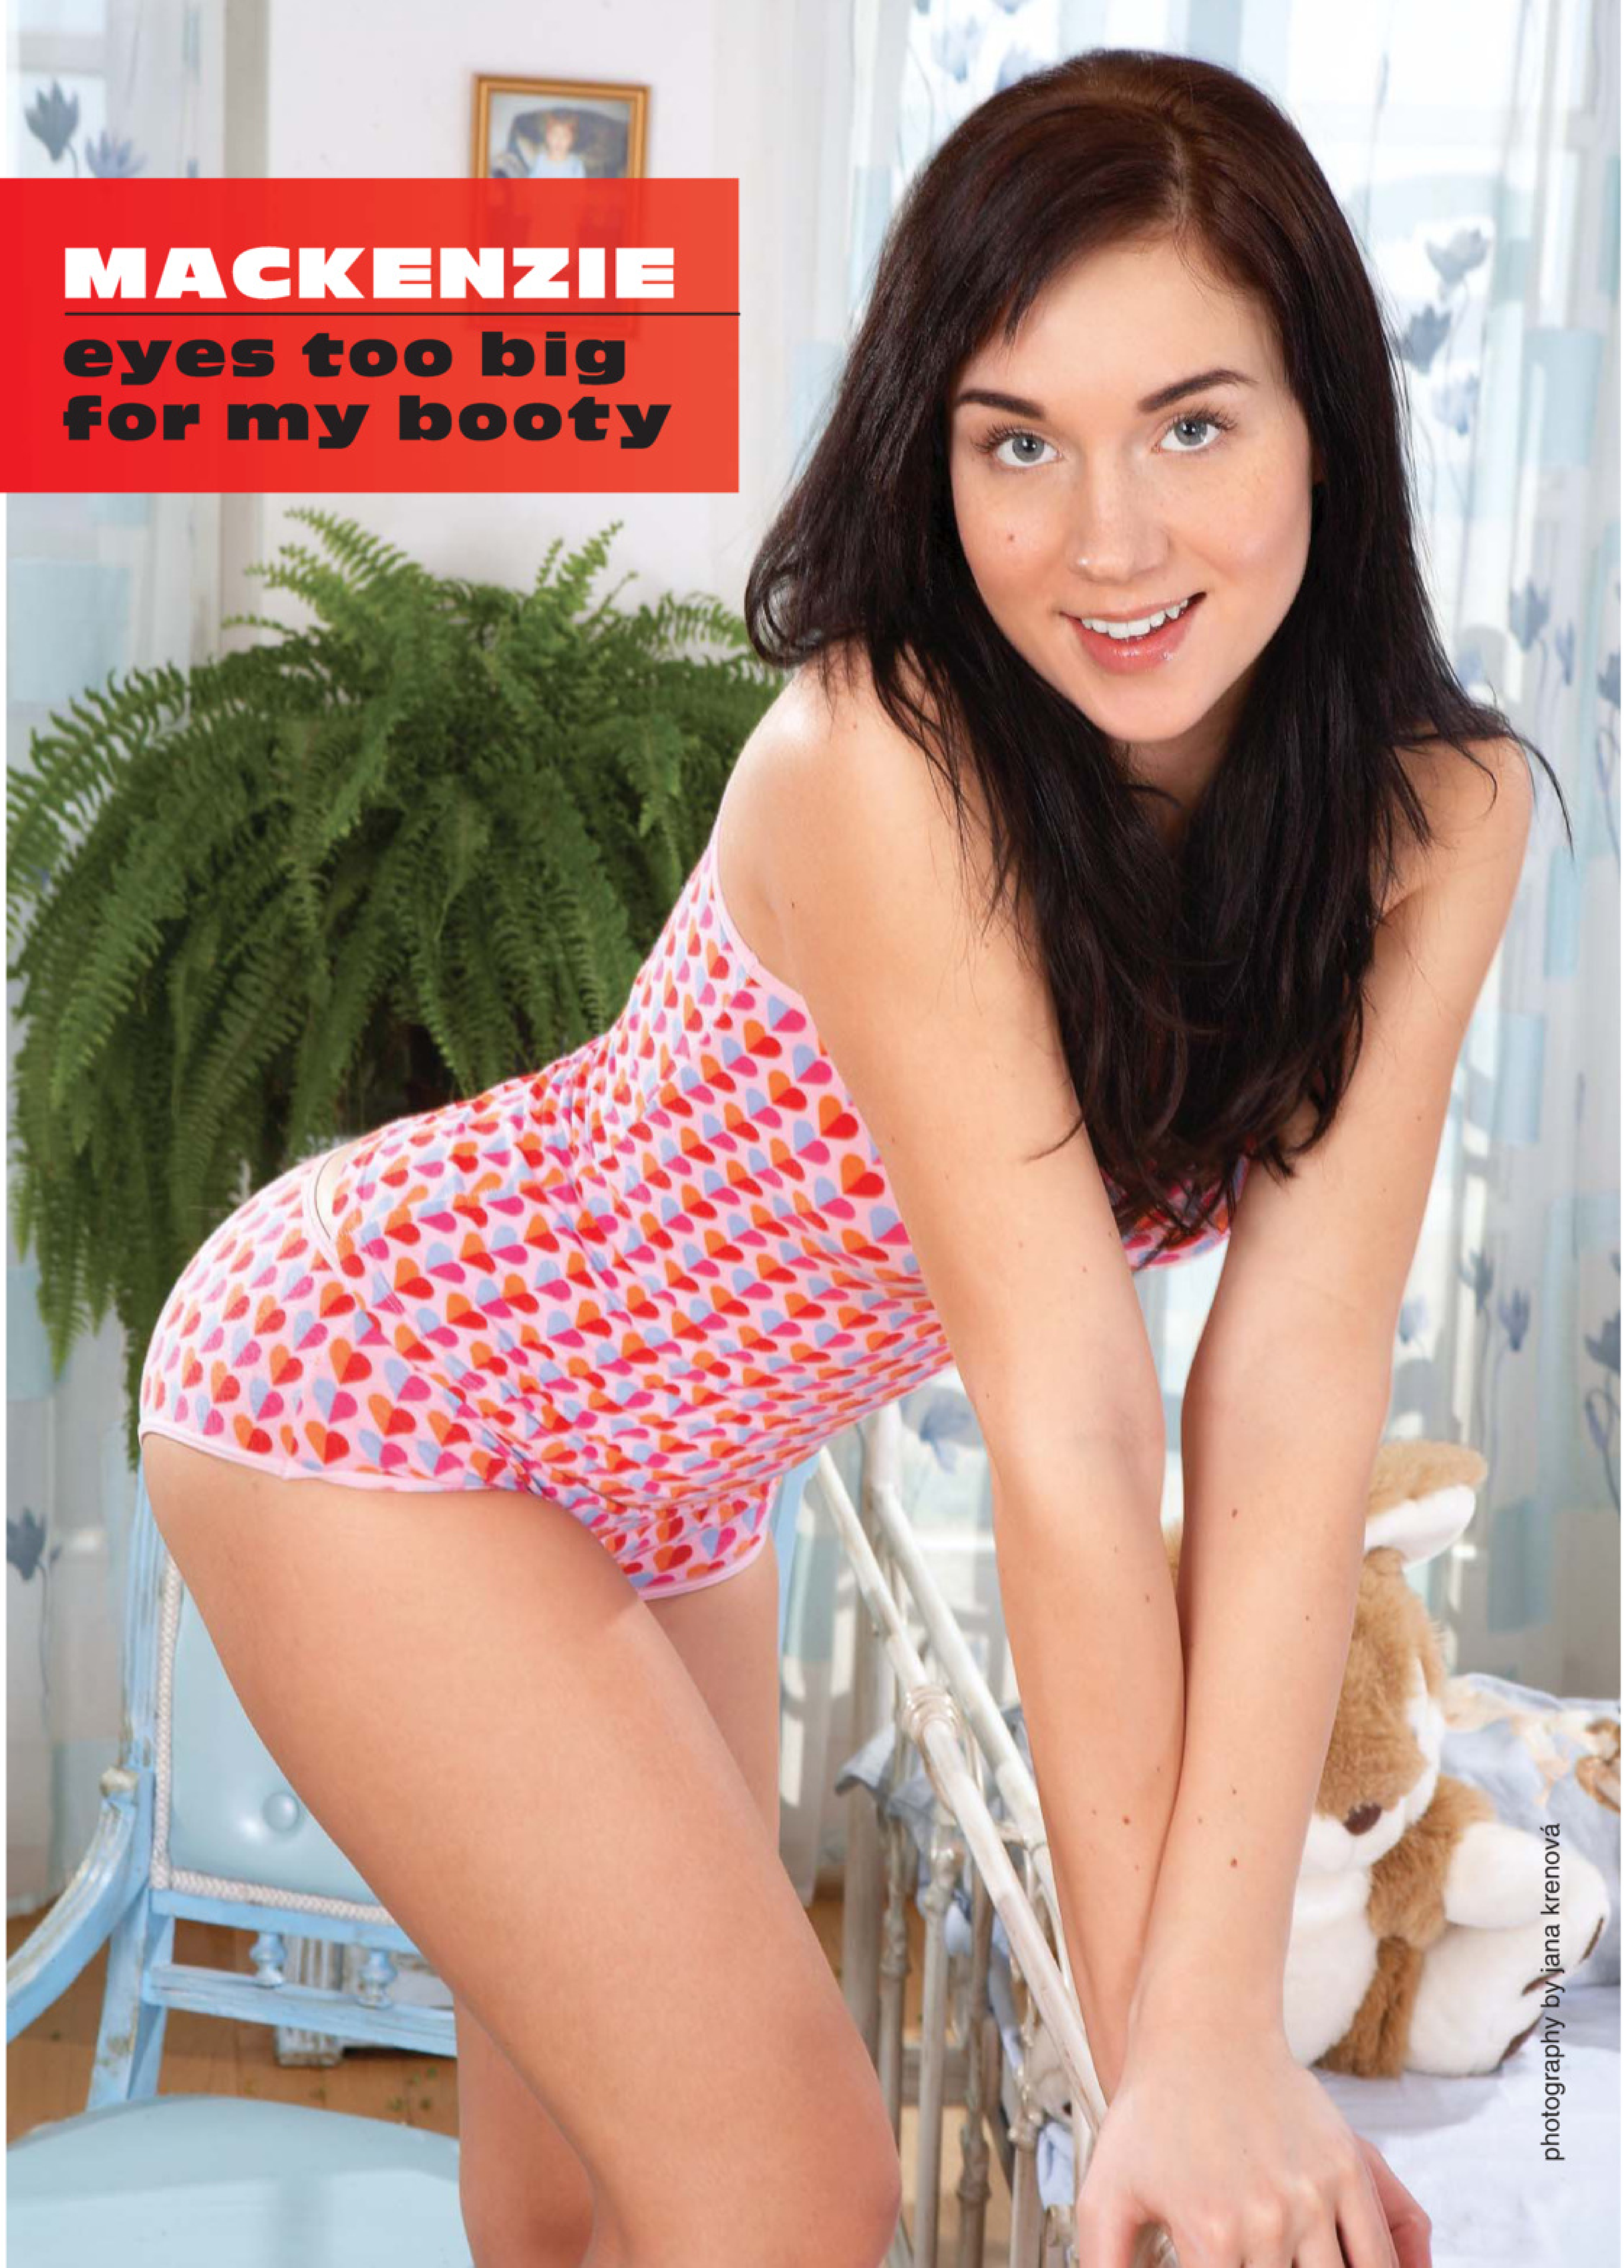
eyes too big for my booty



photography by jana krenová

Megan the award-winning (someday, anyway) intern here with college freshman Mackenzie. Mackenzie wants to be a teacher someday—and she has already taught *me* a very valuable lesson about butt sex. See below!

Did you like posing nude? Yes, I love the attention.
What part of your body do you consider your best? My bottom. It's nice and round.
Do you wear panties? In a short skirt, yes. In jeans or shorts, I like to roam free.
How often do you masturbate? Every day. It's, like, a regular habit at this point, like brushing my teeth. But way more fun!
What method? Vibrator.
"I hate/like/love giving head." Love. It gets the guy excited, which makes *me* excited.
"When I give head, I'm a spitter/swallower." Swallower. I'm not the squeamish type.
"I hate/like/love receiving cunnilingus." LOVE. I always feel special when a guy is down there licking away, trying to make me feel good.
What's your favorite sexual position? From behind.
How can a guy best make you come? Lick my pussy.
"I hate/like/love anal sex." Love now, but I *almost* hated it. The very first time I did it was with a guy with a *huge* penis. It felt awesome in my pussy, and I was getting so worked up, I was like, I want MORE. I want it in my ASS. So he put it in my ass, and I seriously thought I was going to rip right in half. So I didn't have anal for a long time after that, but now I do, but only with guys who don't have, like, porno-size cocks.
Where do you like a guy to come? Anywhere he wants. Surprise me!
Are you bisexual? I've dabbled a little—mostly just made out with girls at parties. I would like to lick a girl's pussy someday and see if I can make her feel the way *I* feel.
Have you ever had sex in public? In a car parked on the side of the road. Does that count? The road *was* pretty busy.
Ever had more than one lover at once? No, that's tacky.
Have you ever fucked a stranger? No, but I wouldn't rule it out. Could be exciting!
What is the sluttiest thing you've ever done? I don't like that word. You should take it out of the magazine. [*Ed. Okay, we will—starting next issue.*]
What's the absolute best sex you've ever had? This one guy *really* knew how to do me in the ass. He licked my butthole first—like, for an *hour*, it felt like. Did you ever feel actual chills go up your spine? Because I did. Anyway, then, when he fucked me in the ass, I just *melted*.
What kind of guys do you like? Ass men!
What kind of girls? Fun and easygoing, with big boobs.
What's the best way for a guy to pick you up? Pretend that you're *not* trying to pick me up.
Describe your ultimate sexual fantasy: Two guys—one in my mouth and one in my butt. Is that dirty? :) ★

★★★★

Kick Ass Pictures. Directed by Glenn Baren; starring Holly Morgan, Isabella, Kylee King, Jordana James, Veronique Vega, Lee Stone, Steven St. Croix, Herschel Savage, Tyler Knight and Brandon Iron.

If you liked Jessica Simpson in *The Dukes of Hazzard*, you'll love *Farmer's Daughters Make You Go Yee-Haw!* Okay, Jess isn't in it, but still! There's five sassy, fun-loving girls who rock the Daisy Duke look and even sport funny country accents. Holly Morgan, with her blond hair and big boobs, is the most Jess-like—but Holly's even hotter, in my opinion. She's definitely curvier. Veronique Vega is super crush-worthy. She's got a cute face, yummy tits, a great butt and a gorgeous smile. I love how she cracks up when she says the line "Save the drama for your mama." Jordana James is cute, aggressive and a great cocksucker. But Kylee King gives the *wettest* BJs. She's all like, "You got me droolin'!" And Isabella is tan, firm, bright-eyed and up for anything. The whole farmer's daughter look is pretty hot, but what makes the movie such a blast is how much fun the girls have. Special features include a 13-minute blooper reel and starlet bios with fun facts like height, bra size, nationality, favorite color, favorite food, their position on swallowing and their most perverted fantasies.

No shoes, no shirt, no problem for Holly.

Kylee can brag, "Look, ma—no hands!"

Jordana's motto? "Shoot for the moon!"

What's up? My name's Rachel. I'm new. I just started my internship. I sent Erin one of our model questionnaires, and she was nice enough to fill it out for me. I didn't even realize she had been in the magazine before! *Oops*, my bad. Anyway, if you like what you see, check out *Erin: Too Hot Not to Handle* (February 2006).

What kind of men do you like? Hot rocker boys with tattoos.

What kind of women? Ones with big boobs.

How did you lose your virginity? My parents went away for the weekend. I was 18, so they *finally* let me stay home alone without a sitter. We did it on my parents' bed.

Do you wear panties? Sometimes. I know it's *soo* 2005, but I like the low-rise-jeans- and-thong look every now and then.

Do you enjoy exposing yourself in public? I like to look hot. I wouldn't go so far as to actually expose myself. If I had bigger boobs, maybe.

How do you feel about butt sex? I like it. It's a *little* uncomfortable, but sometimes it's fun to get *really* dirty.

Where do you like a guy to come? In my mouth, on my face, my tits or my butt if he's doing me from behind. Anywhere but in my hair or up my nose! That happened one time, and I couldn't breathe!

What is the sluttiest thing you've ever done? It involves one of my roommates and another roommate's boyfriend, so I probably shouldn't say because I know they'll be reading this!

What's your deepest, darkest secret? I don't have any secrets! I only tell little white lies to keep people from getting hurt.

How often do you masturbate? Once a month. Okay, once a week. Okay, once a day—twice a day.

How do you like to be fucked? Either from behind or with me on top. I know this sounds weird, but I love it when a guy digs his fingers into my butt. It feels like I'm being clawed by an animal. I lose it every time.

What is the best part of your body? Butt cleavage! In my experience, guys love to stare at a girl from behind more than from the front.

Have you ever had sex with a stranger? No! I've slept with guys on the first date, but that was *after* I got to know them.

What's the best way for a man to pick you up? Be funny, and be yourself.

Describe your dream date: A concert by one of my favorite bands, ice cream from Ben & Jerry's and dancing at a club until 2 a.m.—and then straight to bed!

What's the absolute best sex you've ever had? Well, I probably shouldn't say this, but one time I was with another girl's boyfriend, and I *knew* she was on her way over. She would have killed me if she caught us, but knowing that we *could* get caught was really exciting.

Did you like posing nude? Did it make you feel hot? I love it. It makes me feel sexy and confident. I'm *kind of* curious about doing porn movies, but I don't think I'm ready for that yet.

What are your future plans? To be in a band and get rich and famous. But eventually I'd like to settle down and have a family.

Anything else you'd like to say to our readers? Yeah—life's short, break all the rules, kiss slowly, love truly, laugh uncontrollably and never regret anything that once made you happy. ★
